

Operation Lights for Troops

For U.S. Armed Services personnel serving in Operation Iraqi Freedom and Operation Enduring Freedom, the upcoming holiday season is bound to be lonely. You can help make their time away from home a little brighter — literally — by giving them energy-efficient LED (light-emitting diode) holiday lights.

**We'll take care of the shipping
and ensure that lights
arrive in time for the holidays.**

'Tis the season... ...to remember
